CROATIA OPEN CHAMPIONSHIP IN ERGOMETERS

CROATIA INDOOR – Rijeka 17.02.2018.

Croatian Open Championship in ergometer is one of three rowing competition in Croatia, which is included in the calendar of the World Rowing Federation FISA.

If we compare the competition in Rijeka 2016 and 2017, we made a big step forward in the organization and quality of the competition. The competition remained international in character and we had competitors from Italy, Austria, Slovenia, Hungary, France and Bosnia and Herzegovina, with over 450 contestants almost twice as many as last year. There were rowing rowers in all the rowing categories from most rowing clubs around Croatia. The quality of the competition was also ensured by the new sports hall where the competition was held - Zamet Hall - which with its equipment provides much easier tracking of the competition. The most valuable results were achieved, as follows:

Junior W

1. Bruna Milinović	07:08.6
2. Izabela Krakić	07:18.1
3. Lara Jušić-Azzan	07:28.0

Junior M

1. Patrik Lončarić	06:05.9
2. Anton Lončarić	06:07.3
3. Patrik Farkaš	06:09.3

Senior M

1. Martin Sinković	05:51.7
2. Damir Martin	05:57.7
3. David Šain	06:04.1

Impressively if we know how they completed their rowing season 2017. Bruna and Izabela are with sisters Jurković Juniors World and European Champions at JWA 4-, and silver on European U-23 Championship; while the Lončarić brothers were Junior World Champions at JMA 2- and third at the European U-23 Championship in JMA 4-. Sinković brothers are second in the World Championship in the new discipline SM 2-; while Damir Martin took the fourth place in the World Championship in the post-Olympics year! The best Croatian rowers have already announced their arrival at Croatia Indoor - Rijeka 2018.

At the Croatia Indoor 2018, organized by Rowing Club Jadran Rijeka and Croatian Rowing Federation, we expect performance in the first place traditionally the most numerous young rowers in the categories cadet, junior and then the most successful Croatian rowers and the entire Croatian rowing representation in the junior and senior category. It will be our pleasure to welcome competitors from all rowing clubs.
